

PROGRAM WORKSHOP « victims on needs assessment Article 22 »

**To be held in INAVEM
27 avenue PARMENTIER
PARIS 75011
0141834201 / 0141834224
Friday 5th of DECEMBER 201**

In the process of the implementation of the Directive victim 2012/29/UE in the domestic Law, INAVEM is glad to organise a workshop about the article 22 of this directive about Individual assessment. First of all we will discuss the European projects about victim assessment. We will try to consider the contents of this article and we will question what does this tool bring to the victims and the support victim group. Then, we will present the implementation process of the directive in France with the participation of Aurélia Schaff, representative of the ministry of Justice and Yannick Calvet representative of Ministry of Interior. Finally, based on our expertise we will talk about the firsts results and the possible prospects.

Friday, December 5th: morning session 10am to 1pm

- Opening and welcomes
Chief executive Officer of INAVEM, Sabrina Bellucci
- Each participating organisation gives a 10 minutes presentation explaining the characteristics of the organisation and specifically the national situation about the implementation of the directive and particularly the article 22.
- The European project and the implementation process of the directive in France
Ministry of Justice - Aurélia Schaff
