

How to get help

VSM consists of a small group of dedicated people who work together to provide the best possible service to our clients.

If you have been the victim of a crime, whether you have reported this to the police or not, reach out to us for support.

All contact is held in the strictest of confidence and free of charge.

VSM can be contacted via the details shown below:

Did you know?

Marital rape, the act of sexual intercourse without the consent of one spouse, is a crime

Verbal abuse, perpetrated by one family member to another is considered domestic violence and is a crime

Hate speech, threatening, abusive or insulting comments on social media, is a crime

Using threatening, abusive or insulting words or behaviour with intent to stir up hatred, is a crime

Domestic violence, rape and crimes affecting public order can be reported by witnesses or bystanders

You are a victim of crime, if you are a family member of a person whose death was directly caused by a criminal offence

Services

Victim Support Malta runs three services. VSM's core service offers counselling, psychotherapy and information about rights and legal procedures to all victims of generic crime such as domestic violence, burglary, arson, cybercrime, sextortion, revenge porn, harassment, stalking and hate crime to mention a few. On average, VSM takes on approximately 200 new clients every year.

VSM also provides a Care for Victims of Sexual Assault service (CVSA), in collaboration with the Ministry for the Family, Children's Rights and Social Solidarity. The service provides holistic care to individuals who have suffered sexual assault and rape.

The services provided by VSM include the provision of emotional support to assist victims in overcoming the trauma following a crime; legal information pertaining to the relative criminal procedures, the victims' right to request compensation and to access forms of protection provided by law; and practical assistance such as liaison with the police.

About

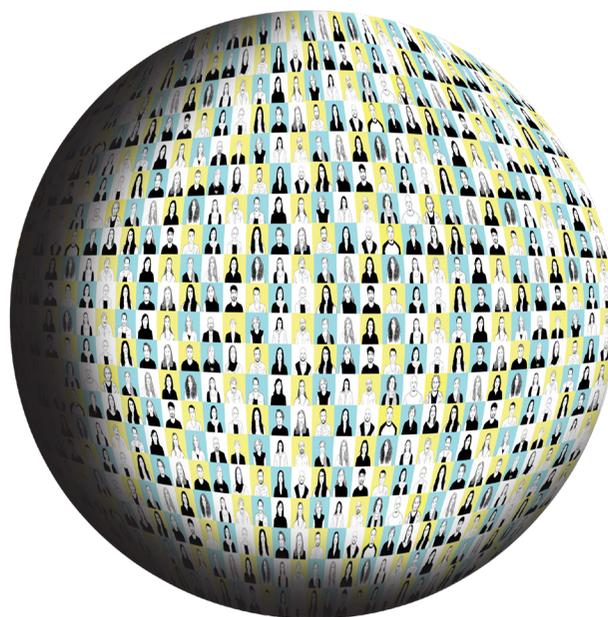

Photo by ©Pexel

Victim Support Malta (VSM) was born in 2008 and is part of Victim Support Europe. VSM is the local NGO, established to care for, contain, support and empower all victims of any crime. With a firm belief in the power of human resilience, VSM passionately champion the rights of all victims in Malta. Our love for the service we provide is paralleled by the determination, devotion and respect that we offer all of our clients. VSM strives to positively contribute to the lives of regular people who experience extraordinary events. The principal objective of VSM is to empower and regenerate victims of crime to become healthy and self-sufficient.

VSM provide individualized care and assistance to all victims of all crime. Our support comes in the form of psychotherapy, counselling, court accompaniment, legal advice, check-in calls, family therapy, resource identification and psycho-education, to mention a few. Each treatment plan is tailor-made to the individual and their needs. All services are free and we therefore rely on donations to keep our doors open to all those in need.
