Dog4Life Onlus

is a non-profit organization, founded in Lombardy, Italy in 2003. Dog4Life's aims are to improve quality of life for people with disabilities.

"An assistance dog offers spontaneous company, affection and unconditional love, safety and support", all vital components for a personal health and well-being.

LOVE

is a female golden retriever, she rather likes to be the best at what she does! If you need support she will always lend you a paw and much Love.
