

Victim Support Europe

TECH4VICTIMS 2026 GENK | 20 NOVEMBER

Event Overview

Tech4Victims is **Victim Support Europe's** flagship innovation event exploring how technology can prevent crime, support victims, improve education on victims' issues, and strengthen public safety.

Date: 20 November 2026

Time: 10:00 – 17:00 CET

Venue: C-Mine, Genk, Brussels – The CLUB (Lesser Hall) & Foyer

Format: In-person

Capacity: Approximately 150 participants

Catering: Coffee breaks and lunch included

The event marks the culmination of VSE's "**NextGenVictimSupport**" **Innovation Campaign 2026** and will combine two spaces for the following activities:

A symposium area, ideal for **presenting** and engaging with the audience, and;

An industrial-themed foyer, ideal for **exhibiting** and showcasing your solutions.

Why Exhibit at Tech4Victims?

Tech4Victims is an innovation space where targeted stakeholders come together specifically to discover and showcase practical solutions that can improve victim support, public safety, and service delivery. This event offers an opportunity to connect with a uniquely diverse network and to benefit from over 35 years of Victim Support Europe's experience in advancing victims' rights. **Tech4Victims** is designed for:

- **Technology companies and startups working in AI, digital platforms, safety technology, and data solutions**
- **Victim support organisations and NGOs**
- **Public authorities and law enforcement officers**
- **Universities and research centres**

For exhibitors, this means direct access to the exact audience actively looking for tools, partnerships, expertise, and scalable innovations.

Unlike large commercial expos where exhibitors compete for attention from broad audiences, **Tech4Victims** offers dedicated networking sessions (see below), allowing for meaningful conversations, high-quality networking, and genuine partnership opportunities. With the right mix of contacts and sector knowledge, we can help accelerate your ideas, partnerships, and business opportunities.

Exhibitor and Partnership Opportunities

As an Exhibitor, you will have the opportunity to:

- **Showcase your innovative solutions** directly to potential partners, clients, and stakeholders seeking practical and scalable solutions.
- **Connect with relevant stakeholders** working across technology and innovation in order to explore new opportunities and collaborations.
- **Generate high-quality leads** and engage in focused networking designed to encourage meaningful conversations and strategic partnerships.
- **Position your tech solution at the forefront** of ethical, victim-centred innovation and socially impactful technology.
- **Gain visibility** within a specialised European network shaping the future of victim support, digital innovation, and public safety.

Partnership Packages

Regular Exhibitor Package – €250

Showcasing Space

- ✓ 3m x 2m exhibitor stand space
- ✓ Table and chairs included
- ✓ Participation in a structured networking session (selected audience members to rotate between stands on a timed basis). This is designed to connect exhibitors with professionals, organisations, and potential partners and clients.

Premium Exhibitor Package – €500 (limited)

Showcasing Space (as above)

Visibility Before the Event

- ✓ **Corporate branding on VSE's website**
(approximately 300,000 monthly impressions / 10,000 monthly visitors)
- ✓ **Social media promotion across LinkedIn, Instagram, and Facebook**
(frequency aligned with partnership level - approximately 100,000 monthly impressions)

Visibility During the Event

- ✓ **Featured speaker opportunity within the official programme, including one of the following:**
 - Blitz talk
 - Panel participation
 - Dedicated presentation slot

Tailored Stakeholder Engagement

- ✓ Pre-arranged, face-to-face, mini-meetings with organisations and stakeholders (selected by you beforehand) which offers direct connection opportunities with potential clients, partners, funders, and decision-makers aligned with your objectives.

Together with hundreds of partners driving meaningful change for victims of crime, we bring together the people, expertise, and innovation needed to turn ideas into impact.

Join us in Genk and position your organisation at the forefront of the future of victim support innovation.
